Tuesday Sept. 15th 1936

It is understood that the Palmer Match Local is to picket the Plant on Wed. Morning to force all workers into the union.

It is understood that the Ohio Match Local is to picket the Plant on Monday Morning Sept. 21st. for the same reasons.

It is understood that the Chemical Workers are to picket the Chemical plant in Barberton on Tues. Sept. 22nd and issue a warning to all those that are stoped, and then on Friday and Sat. Sept. 25th and 26th they will hold out all those that have not signed up.

It is understood that in all the above cases the unions will recognize any craft union card, it being the idea to force everyone into either a craft union or a Federal Union.

It is understood that Hanna the CLU Sec. resigned tonight as a Deligate from the Diamond Match local and was accepted as a deligate from the Retail Clerks, and was also reelected to act as Sec. of the CLU. and is to be a Deligate to the Clerks Convention Sunday at Newark O.

Respectfully
